

## BITS OF WISDOM

---

---

The man who has to eat his own words never asks for seconds.

---

---

Sixty-five is the age when one acquires sufficient experience to lose his job.

---

---

Many a retired husband becomes his wife's full-time job.

---

---

The key to a happy retirement is to have enough money to live on, but not enough to worry about.

---

---

You will never get ahead of anyone as long as you are trying to get even with him.

---

---

Revenge is like biting a dog because the dog bites you.

---

---

Some people wake up in the morning with nothing to do, and by bedtime they have it only half done.

---

---

Anybody could get rich if he could guess the exact time at which a piece of junk becomes an antique.

## PRAYERS

### I MET THE STRANGEST MAN

He said he believes in the Bible as the word of God, but he never reads it.

He said the church would be more effective in its ministries if more of its members were really dedicated, but he isn't.

He said he feels that church assemblies are time for edification and praise, but he never attends.

He said the younger generation needs stronger spiritual values but he doesn't show them in his life.

He said the church is not doing the work the Lord intends it should do, but he is not working.

He said he believes that God hears and answers prayers, but he does not pray.

He said he knows the Lord is coming again, but he lives as though the Lord will never come.

IS THAT NOT A STRANGE MAN?
