

BITS OF WISDOM

Old quarterbacks never die; they just pass away.

What's needed for skiing is a lot of snow and Blue Cross.

Music has been called medicine, and some of it is hard to take.

Medicine costs are so high that it seems the first thing germs attack is your wallet.

To find what your doctor recommends, watch television.

It's strange how much better our memory becomes as soon as a friend borrows money from us.

Nothing improves the memory more than trying to forget.

Can you remember when drug abuse was merely another dose of castor oil?

PRAYERS

FEBRUARY TOPIC OF THE MONTH

MERCY

Psalm 32:5 I acknowledged my sin unto thee, and mine iniquity have I not hid. I said, I will confess my transgressions unto the LORD; and thou forgavest the iniquity of my sin. Selah.

6 For this shall every one that is godly pray unto thee in a time when thou mayest be found: surely in the floods of great waters they shall not come nigh unto him.

7 Thou art my hiding place; thou shalt preserve me from trouble; thou shalt compass me about with songs of deliverance. Selah.

8 I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye.

9 Be ye not as the horse, or as the mule, which have no understanding: whose mouth must be held in with bit and bridle, lest they come near unto thee.

10 Many sorrows shall be to the wicked: but he that trusteth in the LORD, mercy shall compass him about.

11 Be glad in the LORD, and rejoice, ye righteous: and shout for joy, all ye that are upright in heart.
