

BITS OF WISDOM

Nothing annoys a woman so much as having her friends drop in and find her house looking as it usually does.

The things in life that count most are the things that can't be counted.

A vacation is two short weeks of fun followed by long weeks of short-funds.

The wages of sin are apt to include a lot of overtime.

Often the wages of sin are unreported.

The trouble with today's taxes is that they keep your take-home pay from over getting there.

If your boss doesn't pay you what you deserve, you may have cause to be thankful.

By the time we are wise enough to select a comparison we have been married for years.

PRAYERS

MARCH TOPIC OF THE MONTH

FAITH

Mark 5:25 And a certain woman, which had an issue of blood twelve years,

26 And had suffered many things of many physicians, and had spent all that she had, and was nothing bettered, but rather grew worse,

27 When she had heard of Jesus, came in the press behind, and touched his garment.

28 For she said, If I may touch but his clothes, I shall be whole.

29 And straightway the fountain of her blood was dried up; and she felt in her body that she was healed of that plague.

30 And Jesus, immediately knowing in himself that virtue had gone out of him, turned him about in the press, and said, Who touched my clothes?

31 And his disciples said unto him, Thou seest the multitude thronging thee, and sayest thou, Who touched me?

32 And he looked round about to see her that had done this thing.

33 But the woman fearing and trembling, knowing what was done in her, came and fell down before him, and told him all the truth.

34 And he said unto her, Daughter, thy faith hath made thee whole; go in peace, and be whole of thy plague.
