

BITS OF WISDOM

It really doesn't matter who wears the pants in the family, just as long as there is money in the pockets.

The time to teach obedience to authority is in the playpen instead of the State Pen.

One solution to the energy problem is to bale up all the government red tape and use it for fuel.

Instead of counting their blessings, many people magnify their problems.

Experience is what makes your mistakes so familiar.

Old age is the time of life when one learns what the status of limitation is all about.

Obesity: Surplus gone to waste.

Public opinion: Private gossip that has reached epidemic proportions.

PRAYERS

MARCH TOPIC OF THE MONTH

FAITH

Acts 14:19 And there came thither certain Jews from Antioch and Iconium, who persuaded the people, and, having stoned Paul, drew him out of the city, supposing he had been dead.

20 Howbeit, as the disciples stood round about him, he rose up, and came into the city: and the next day he departed with Barnabas to Derbe.

21 And when they had preached the gospel to that city, and had taught many, they returned again to Lystra, and to Iconium, and Antioch, Confirming the souls of the disciples, and exhorting them to continue in the faith, and that we must through much tribulation enter into the kingdom of God.

Our trip to Eugene was an enlightening one, many from all over the state came to honor Doug and his courageous life and attitude in the Lord. He looked good, was able to walk, talk and hear well, all things that the doctors say shouldn't be happening. He is on steroids which are helping him to have energy and exist fairly comfortably right now. Keep him and his family constantly in your prayers.
