

BITS OF WISDOM

Be faithful in hard places that you might be trusted in high places.

Past failures become guideposts to future success.

The Christian faith does not consist in the belief that we are saved, but in the assurance that we are loved.

Faith is a church who when they meet to pray for rain, they bring their umbrellas.

The good we do today becomes the happiness of tomorrow.

You cannot make Christ the King of your life until you abdicated.

A lot of kneeling will keep you in good standing with God.

If we put off repentance another day, we have a day more to repent of and a day less to repent in.

FREEDOM

What does it mean to be free. None of us have ever been slaves nor have we been incarnated either. So it would be hard to really know what it is not to be free. I try to envision what it would be like to live under a dictatorship, however having been free all my life I have no concept of living a life like that.

But all of us know what it is like to be brought under things that imprison us. Things that take us under their control. We don't like being under their control but many things take over our life and we are hooked.

I shall talk about some things that are common to our lives in my lesson this day and we can find ways to overcome them. Our first step to overcoming any controlling force in our lives is to take it to the Father and ask Him for the strength to cast it off. Many times folks go that route and promptly take back the responsibility of it. If you give a problem to God then let Him handle it in His own time and way. So often we want Him to take care of it and do it now. Just give Him time to work things out, He promises to take away our fears, our worries and our concerns, Please don't suffer with things that burden you down turn them over to your Heavenly Father and let Him carry the burden for you. He will.
