You have reached middle age when all you exercise is caution.

Nature tries to teach us moderation. The more we over-eat, the harder she makes it for us to get close to the table.

You can be unbiased in matters of no interest

We live in a world of intellectual giants and spiritual dwarfs.

Nostalgia is longing for the place you wouldn't move back to.

An optimist is someone who tells you to cheer up when things are going his way.

DECEMBER TOPIC OF THE MONTH

DECISIONS

Deut 1:15 So I took the chief of your tribes, wise men, and known, and made them heads over you, captains over thousands, and captains over hundreds, and captains over fifties, and captains over tens, and officers among your tribes.

16 And I charged your judges at that time, saying, Hear the causes between your brethren, and judge righteously between every man and his brother, and the stranger that is with him.

17 Ye shall not respect persons in judgment; but ye shall hear the small as well as the great; ye shall not be afraid of the face of man; for the judgment is God's: and the cause that is too hard for you, bring it unto me, and I will hear it.

18 And I commanded you at that time all the things which ye should do.

.
Any judgments we make we will be accountable for. It needs to be our decision to leave judgment to God.

Matt 7:1 Judge not, that ye be not judged.

2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.
