

BITS OF WISDOM

The best time for a man's ship to come in is before he is too old to navigate.

People who once settled their problems over coffee and cigarettes—now they are their problems.

The right angle to approach a difficult problem is the "tri-angle".

The secret to success is seldom well kept.

When you have a chance to embrace an opportunity, give it a big hug.

Have you ever noticed that an optimist is always able to see the right side of other people's troubles?

Many a bee has been drowned in his own honey.

Some people are so proud of themselves; they can strut sitting down.

The problem is that the key to success doesn't always fit your ignition.

THEME OF MONTH

FOLLOWING JESUS

Matthew 16:24 Then said Jesus unto his disciples,
If any man will come after me, let him deny himself, and take up his cross, and follow me.

25 For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it.

26 For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?

27 For the Son of man shall come in the glory of his Father with his angels; and then he shall reward every man according to his works.

28 Verily I say unto you, There be some standing here, which shall not taste of death, till they see the Son of man coming in his kingdom.
