

BITS OF WISDOM

You need not be limber of body in order to get your foot in your mouth.

One thing that comes without effort is old age.

Going along to get along will carry you places you didn't intend to go.

When you are blind to your own faults—glasses will not help.

Excellent things are extremely rare.

Nagging results from tongue waggomg/

A lofty example is a rich legacy.

Money is of no value to the man who knows not how to use or enjoy it.

Endurance is patience concentrated,

Work helps us avoid three great evils: boredom, vice and need.

There is no excellence un coupled from difficulties.

THEME OF MONTH
MY SPIRITUAL GROWTH

Mark 4: 26 And he said, So is the kingdom of God, as if a man should cast seed into the ground;

27 And should sleep, and rise night and day, and the seed should spring and grow up, he knoweth not how.

28 For the earth bringeth forth fruit of herself; first the blade, then the ear, after that the full corn in the ear.

29 But when the fruit is brought forth, immediately he putteth in the sickle, because the harvest is come.

We have another seminar coming up in April on the 18th. This one is based on Old Testament Characters. Names that we are all know very well, and we have heard their stories many times but this series is trying to teach a lesson that will benefit us in our daily Christian walk. I do believe that they will not only teach us something but will really be of good interest to us. If you are interested in improving your walk with our Lord and Master Jesus Christ then I ask you to join us for the day of Bible study and singing and just good old fellowship with our Brothers and Sisters in Christ on that day for a day with the Lord. You will be glad you did! MAY GOD BLESS. JEFF
