

BITS OF WISDOM

Don't answer letters—answer people.

A luxury is a bare necessity with the taxes added.

To love is to stop comparing.

Fears can multiply faster than rabbits.

Our government now spends more accidentally than it once did on purpose.

It's hard to make a big splash in shallow thoughts.

Insanity is heredity—you can get it from your children.

It's not the people who tell all they know that cause so much trouble, it's the ones who tell more.

It is a fool who cannot be angry. He is a wise man who will not.

Anger is a wind that blows out the lamp of the mind.

One thing most alumni can't stand is a college football team that plays like a bunch of amateurs.

THEME OF MONTH
THE POWER OF GOD

Never was there such a display of power as in God's creation of the world.

Gen 1:Gen 1:1 In the beginning God created the heaven and the earth.

2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

3 And God said, Let there be light: and there was light.

4 And God saw the light, that it was good: and God divided the light from the darkness.

5 And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

6 And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters.

7 And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so.

8 And God called the firmament Heaven. And the evening and the morning were the second day.
