

BITS OF WISDOM

It is the person we least expect that may be the most dangerous.

Many receive advice—only the wise profit by it.

Generally—adversity reveals genius and prosperity conceals it.

Gold is tried by fire—man by misfortunes.

God will lead you uphill—but he will not push you.

Some people get their exercise by running others down.

Every man's destiny is in his own hands.

Failure results not so much from lack of education, but lack of determination.

We are the builders of our own life and destiny—the Bible can furnish the plans and specifications for success.

People who run for office usually catch a lot of flack.

THEME OF MONTH

THE POWER OF GOD

Hebrews 4:11 Let us labour therefore to enter into that rest, lest any man fall after the same example of unbelief.

12 For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

13 Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do.

14 Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast our profession.

15 For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin.

16 Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.
